

OSA Year 11 Revision & Support Schedule - Spring Term 2019

This timetable shows when subject support will be on offer for Year 11 students every fortnightly cycle for the rest of this term.

Three different kinds of support will be available:

- 1) 'Period 6' after-school sessions, from 3.15 - 4.30pm. These will usually be led by a teacher and taught formally like an additional lesson.
- 2) 'Breakfast' sessions from 8am - 8.40am. These will usually be student-led- i.e. the student comes to do their own revision. Teachers will support where possible / necessary.
- 3) Silent revision sessions at lunchtime or before school.

Where & When

The tables to the right show the teachers and venues for the sessions that will be offered each fortnight.

Please be aware that some subjects are in more than one option block, so students need to know which block that they study it in.

All students will be given a slip with this information on it so that they are clear about this
