

February 2019

Dear Year 11 Parent/Carer

Just to make you aware of a few final arrangements for next week's second round of Practice Examinations for Year 11:

- Unlike the first round of practice exams last November, there is no study leave and students will be staying on site in between their exams.
- Good attendance is crucial in the exam period - please make sure your child comes to school every day.
- Core exams in English, Maths and Science have been scheduled in the morning so that students come to these fresher.
- When AM exams are completed, students will be given a short break and will then return to normal lessons, where they will be given time to revise for the afternoon exams.
- AM exams will often run over morning break, so please make sure your child brings their own drinks or snacks to school, OR purchases these from the canteen on arrival to school.
- Where your child has PM exams, they will be dismissed home directly after the exam ends. Please refer to the exam timetable (attached again here) so that you are aware when your child will be finishing for the day.
- On days where your child has no PM exams, they will do normal school lessons and finish at the usual time of 3.15pm.
- As always, please ensure your child is properly equipped for their exams. Students need:
  - Black ball-point pens, pencils, an eraser, sharpener and ruler
  - A protractor, compass and scientific calculator
  - A clear pencil case to keep everything in
  - Water in a clear, unlabelled bottle or container.

Thank you all for the support you have given your child at this really important time in their education. We wish all of our students the best of luck in these exams.

Yours sincerely

*R Bird*
