

ONSLOW ST AUDREY'S SCHOOL

Hatfield's Business & Enterprise Academy

27th February 2018

Dear Parent/Carer,

Further to my recent communication regarding our departing Headteacher, I am writing to inform you about the recent Governing Body decision to appoint an interim leader to secure the future of Onslow St Audrey's.

On behalf of the Governing Body, I am delighted to announce that Mr David Croston will be taking up the position on a part-time basis with immediate effect until the end of the Summer term while we recruit our new Headteacher.

Mr Croston will have a dual role and will be known as Executive Headteacher. Our Deputy Headteachers will become the Acting Headteacher on the days when Mr Croston is not at Onslow. Mrs Joelle Casotti will take up this position with immediate effect and Mr Robert Bird will take over from her from Monday 14th May. We are extremely fortunate in securing Mr Croston's services because of the calibre of his leadership. His track record includes the transformation of Chancellor's School to an Ofsted recognised 'Good' school and in addition, he has specialist understanding of the local education environment. He will be in school two days a week overseeing the wider work of the school and its leadership team whilst also continuing in his role at Chancellor's School.

The Governing Body will now seek to secure the long term future leadership of the school and will undertake a thorough recruitment process to secure the highest quality candidate for the role of Headteacher of Onslow St Audrey's School. We will keep you updated with future news.

Yours sincerely,

Raymond Little
Chair of Governors
On behalf of the Board of Governors
