

October 2018

Dear Year 11 Parent/Carer/Student

We would like to invite you to the OSA Post-16 Open Evening on Thursday 8 November, from 6.00pm to 8.00pm. This is an important step for Year 11 students in the process of their decision-making for September 2019 and beyond.

The format of the evening will be as follows:

- A talk in the main School Hall, given by the Headteacher, ourselves and some Sixth Form students. The talk will take place at 6pm.
- Following the talk, each departmental area will have presentations in classrooms that will provide information about the courses on offer. Students will be able to discuss the courses with both staff and current Sixth Form students. The evening will end at 8pm.
- There will also be the opportunity to speak to Mrs Manley, our Careers and Enterprise Officer, as well as chatting to representatives of Oaklands College.
- Your son or daughter will also be able to meet current students to find out more about Sixth Form life and the enrichment opportunities that are available, such as Financial Studies, Extended Project Qualification, opportunities to join the student prefect body, community volunteering and preparation for university.

I will speak to Year 11 students and give them relevant information and documentation at their assembly on Monday 5 November.

We look forward to seeing you on 8 November.

Yours sincerely

J Flint

Mrs J Flint
Assistant Headteacher (Director of Sixth Form)

H Goddard

Ms H Goddard
Deputy Director of Sixth Form
