Official

@OnslowStAudreys

Dear Parents and Carers,

I would just like to formally welcome everyone back after a no doubt enjoyable Summer break. This bulletin marks the end of my first week as Headteacher at OSA and the attitude and approach of the students has been excellent throughout.

A number of changes have taken place over the Summer holidays in terms of the layout and design of the school. These have given us a fresh look, which students and visitors have commented positively on.

What I have found particularly refreshing this week is how friendly and polite the students have been, which in turn has created an extremely positive atmosphere around the school.

Our new vision is 'OSA', representing 'Opportunity', 'Success' and 'Ambition'. Over the coming weeks I look forward to showing students and parents what this looks like in more detail.

As you can see from our key dates, we have arranged a number of events to support you as parents and help your sons and daughters to progress academically.

Later this month on Tuesday 25th September, we will be hosting our school's official Open Evening and I would encourage all parents to visit us during this event.

In terms of my background, I was a resident of Hatfield, growing up on St Audrey's Close, and my father attended St Audrey's School back in the 1950s. I am incredibly proud to be the Headteacher of this school and I am determined and committed to ensuring its continued improvement.

Finally, I would just like to ask that you always highlight any issues you or your child may have as quickly as possible so that we can work to get them resolved. We want all our students to enjoy their time at OSA so that we can achieve success together.

David Bullock, Headteacher
