It has been another fantastic start to the year over at OSE PE. Following on from a successful year in creating our vibrant extra-curricular programme supported by our exciting interhouse competitions, we have continued to go from strength to strength in offering opportunities for our pupils. Our newly appointed Sports Captains have made a phenomenal start by proving to be a real asset to our PE department. Our Year 11 (BTEC Sport L2) and Year 13 (BTEC Sport Level 3) students achieved some outstanding results in the summer, which is a just reward for their hard work over the duration of their respective courses. It is great to see Year 11 transition into OCR Sport Level 3 at Year 12 and many Year 13 students go on to University and scholarships in America.

Our school teams have made fantastic starts to the Mid-Herts district league in football whilst also recording good results and performances in the English Schools' FA Cup and the Hertfordshire County Cup. Our Year 9 boys' basketball team and Year 7&8 girls' netball team have got their seasons underway.

We have had some fantastic engagement across Physical Education and school sport this half term and it has been a fantastic effort by all students! We have over 14 extra-curricular clubs a week for our students to attend as well as Interhouse competitions and school fixtures. Be sure to check our Twitter page (@OSA_PE) for more information. Keep up the good work!
