As a department, we are really proud of the efforts from the young girls of OSA. The girls have made huge progress at extra-curricular clubs with over 20 girls attending basketball club last week. Our teams of girls have been to many fixtures this term including basketball and netball fixtures as well as a cricket tournament. The girls have really enjoyed these amazing experiences as we look forward to many more in the next term. The girls have a lot to practice, however, they are very committed to coming to clubs and practicing in their own time. We welcome more girls to attend these clubs and be part of our teams. Keep up the hard work girls!

**Year 10:** Enoch A (10E), Spencer A (10H), Georgie ER (10E), Charlotte H (10A), Megan V (10H), Ellen N (10O)

The start of the new calendar year has seen renewed effort and engagement from all our pupils across our curriculum, extra-curricular clubs and Interhouse events/sports fixtures. Huge congratulations must go to our girls and our female PE staff for providing and participating in a range of clubs and fixtures during this half-term. The girls took part in their 3<sup>rd</sup> and 4<sup>th</sup> Netball fixtures whilst making their debut in the district basketball league and participating in the Hertfordshire School's Cricket tournament held at the University of Hertfordshire.

We have a lot to look forward to this half-term with the culmination of the district basketball leagues and Jr.NBA whilst supporting our Year 8 boys who have made it to the semi-finals of the district football league where they travel to Yavneh for a place in the final. In addition to this the urge for a range of clubs to be added to our extra-curricular timetable has been answered with Parkour, Table Tennis and Futsal being added alongside our ever present clubs for this half-term. It is also important to turn our attention to our respective Year 10, 11 and 13 cohorts who are now fine-tuning their knowledge and understanding for upcoming exams and coursework completion.

Thank you all for your ongoing support, please continue to share our twitter @OSA\_PE and stay tuned for updates! Keep up the good work!

### Sports Captains Blog: February 2020

It has been a very eventful half-term. As captains, we have been really busy attending fixtures, helping out at extra-curricular clubs and running the interhouses. We are very proud of all of the students that do attend and the progress that each student is making as well as the progress teams are making as a whole. It is good to see students of all abilities play together and help each other improve. As a group, we would like to say what a pleasure it has been to run all of this for you and a massive thank you for giving us the opportunity to do so. We are really impressed by the number of students attending the events we have to offer, but as always we hope that more of you will come and join us in the future. Finally, we would like to congratulate all of you - it has been amazing watching you all improve your individual skills. It is also great to hear that so many of you are thinking about becoming sports captains in the future. Keep going because anything is possible. Thank you all again.

In January of this year we hosted the annual district primary school indoor athletics competitions which was run by Miss Sende and our wonderful sports captains. Our Sports Captains were joined by prospective captains from Year 9 to facilitate over 240 pupils on two days. It was a fantastic event with some real talent on display. Well done to all competitors - we hope you enjoyed the event!
